POLICY NO. 16

Culvert Orders for Private Landowner

Preamble: The cost to install a culvert within Reynolds Municipality on private lands shall be born by the ratepayer, however the municipality can assist the landowner by ordering a culvert through our Municipal Trading Company. This will enable the municipality to have greater control and knowledge of culvert placement within the RM.

- Written request for a private culvert installation is the responsibility of the land owner
- Installation must adhere to the municipal culvert installation policy
- The request must be in writing and be approved by Council
- Payment must be received by the office before the culvert can be ordered by the municipality
- Consideration will only be for culverts installation within the RM of Reynolds
- All costs associated with pick-up or delivery of the culvert shall be the responsibility of the applicant
- The municipality bears no responsibility for installation or shall not be liable in anyway for this transaction it is done only to assist the ratepayer
- A drainage permit be applied for through Water Stewardship by the applicant.
