POLICY 7

ROAD ACCESS

- Responsibility of land owner
- A Road Access Application be completed and submitted to the municipality of approval.
- One (1) access per Quarter Section or (1) per Title is to be placed if required
- Additional accesses are to be placed if a natural barrier (e.g. a stream) is involved
- Other additional accesses will have to be approved by the R.M. of Reynolds
- Drainage provisions have to be consistent with plan for the area
- MTS line location required where applicable
- Highway Traffic Board approval if required
- Land owners responsible to maintain private driveways and culverts. If culvert is hindering natural water flow, landowner must rectify problem within 30 days or municipality will do the works and charge them accordingly for the costs.

NOTE: On Road Allowance – RM supplies culvert

Adopted April 8/03 Res. 129/03

Amended August 29, 2007 Fin. Leg. Personnel meeting – Adopted April 8, 2008 Res. 137/08

Amended October 10th, 2008 PW meeting – Adopted November 4th, 2008 Res. 456/08
