TENDER

Sealed tenders are invited by the WRNW Waste Management Facility for the following work to be done at the site.

Project: Supply materials and labour to install:

- 1) One – 15 Amp 120 volt circuit to pole shed for a yard light and lighting inside of shed.
- 2) One – 20 Amp 120 volt circuit to new storage building. The circuit is for three door operators.

More information will be available with the site inspection.

Rate: Interested parties to supply a price for completed project. Applicable taxes are to be shown separately.

Site inspection: Contractors are required to inspect the site before summiting a quote. For contractors wishing to inspect the site, please contact Lorne Charney at 348-2125 prior to August 9th, 2017 to arrange a time.

Tenders may be mailed to:

Whitemouth Municipal Office, PO Box 248, Whitemouth MB., R0E-2G0

Or

Emailed to Anita Honke - clerk@rmwhitemouth.com

Please mark the words “**Electrical Tender**” clearly on the correspondence and forward to the above on or before 4:00 p.m., August 10th, 2017. **Lowest or any tender not necessarily accepted. Contractor must provide their own Workers Compensation.**
