SURVEY 2017

****Please return to RM office by JUNE 1ST, 2017****

When this survey was sent out in April, only 19 responses were received out of 300 surveys sent out. To present a business case to Ste. Anne Co-op, interest from potential customers is required. Please take a few minutes to complete and return the survey. For your convenience, a drop box has been installed to the right of the RM office front door or you can participate through Survey Monkey at <https://www.surveymonkey.com/r/WYXSZ2T> You can also email or fax the completed survey.

Survey of Future Business Development

How often do you drive through the junction of Highway 1 and Highway 11?

_____ times a week or

_____ times a month

Do you currently use the Co-op Cardlock?

_____ Yes _____ No

If there was another business located beside the Cardlock, would you use the Cardlock more?

_____ Yes _____ No

What type of business would you most use if it was located beside the Cardlock? Put in order of importance to you, #1 being most important.

- 1 _____
- 2 _____
- 3 _____
- 4 _____

Thinking about the most useful business you would like to see at the junction of Highway 1 and 11, what would be the most important characteristics to encourage you to use the business?

What would be the most important characteristic to discourage you from using the business?

Would you say, you would increase your spending locally or shift your current spending from another local business?

_____ Increase spending _____ Shift spending

Would a local grocery store reduce your trips to Steinbach or Winnipeg or you would still have to travel to Steinbach or Winnipeg for other needs?

_____ Reduce Trips

_____ Still have to make trip to Steinbach/Winnipeg

Please list examples of other needs:

Do you agree or disagree that a municipality should use tax incentives to support new business?

_____ Agree _____ Disagree

Do you agree or disagree that a municipality should give the same tax incentives to existing business as to new business?

_____ Agree _____ Disagree

Additional comments are welcome:
