Reynolds Fire Department Update

A heartfelt **THANK YOU** to our incredible community members and generous supporters, including **TC Energy, Red River Mutual, Access Credit Union, Farm Credit Canada, Betula Lake Association**, and many others! Your contributions make it possible for us to upgrade and purchase essential equipment.

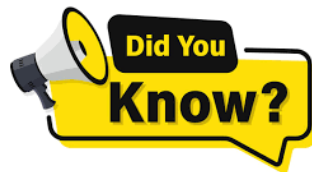

We are currently fundraising and applying for grants to acquire a **Rescue Skid with a Stokes Basket** by early 2025.

Training is ongoing, and our team continues to grow. We currently have 16 active members, but we're looking to recruit more volunteers from Hadashville, Prawda, East Braintree, and McMunn. Keep an eye out for an upcoming posting with more details on how to join.

Additionally, we are exploring the possibility of launching a **Cadet Program for youth aged 16-18**. Stay tuned for more information!

Thank you for your continued support!
